SECRET-NO FOREIGN DISSEM

28 AUG 1972

Dear Dick,

I am sponsoring EPSILON 72, a senior-level, politico-military simulation to be held in Germany during the period 30 October - 3 November 1972. EPSILON will address US/NATO security policy in the mid-range period, and Andy Goodpaster will host the conference on my behalf. We anticipate a fine attendance by both Washington-based seniors and European chiefs-of-missions and military commanders.

Lieutenant General Walters' recent past experience in France and his present duties at CIA well qualify him to fulfill a dual role in this important simulation. In this context, I would appreciate your permitting him to participate as the CIA representative. With your concurrence, my EPSILON 72 Project Staff will contact him. I am including a simulation schedule and invitee list for your perusal.

Warmest personal regards.

Sincerely,

T. H. MOORER
Admiral, U. S. Navy
